Service Options:

FIC Choice: \$15 / injector for flow test only, or \$25 / injector for flow test and cleaning
FIC will flow test injectors first. If they do not require cleaning you will only be charged for a flow test. If cleaning is necessary we will continue with this process at our discretion. Either process includes a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around time is 3-4 days, or see expediting options below.

Flow Testing and Cleaning: \$25 / injector for flow test and cleaning
FIC will flow test and clean your injectors, regardless of initial flow results. Includes a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around time is 3-4 days, or see expediting options below.

Other: flow modification / fitment modification – please contact us prior to sending injectors

Expediting Options:

Rush Service: \$7.50 / injector additional to expedite any flow or cleaning service to a 24 hour turn-around time

Same Day Service: \$100 flat rate additional (up to 10 pieces) to expedite any flow or cleaning service to same day turn-around time. We must receive your injectors by 10am for this option.

Important: FIC only services top-feed port fuel injectors. We will email you once your service has been completed to discuss results and confirm billing and shipping info. Please do not call us for status updates.
