Describe below any issues or areas (incl. serial #s) to which special attention should be paid:

Service Options:

☐ **Flow Testing:** \$15 per injector for flow test only.

FIC will flow test your injectors. Regardless of results of the flow test we will only test the injectors. Testing includes a flow sheet with test results as well as new seals if applicable. Standard turn-around is 2-3 business days. For expediting options see below.

Expediting Options:

☐ **Rush Service:** \$7.50 per injector additional to expedite any flow or cleaning service to a 24 hour turn-around time (ships next business day after arrival.)

☐ **Same Day Service:** \$100 flat rate additional (up to 10 pieces) to expedite any flow or cleaning service to same day turn-around time. **We must receive your injectors by 10am** for your injectors to ship back out to you on the day they were received.

Fuel Injector Clinic is committed to excellent customer service and support. If you have any questions or concerns feel free to call us at 561-427-0082.

*Injectors left unattended for six months will be discarded, and any subsequent requests for replacement will incur associated costs.
