Describe below any issues or areas (incl. serial #s) to which special attention should be paid:

Service Options:

Flow Testing Only: \$15 per injector for flow test only.

FIC will flow test your injectors. Regardless of results of the flow test we will only test the injectors. Testing includes a flow sheet with test results as well as new seals if applicable. Standard turn-around is 2-3 business days. For expediting options see below.

FIC Choice: \$15 per injector for flow test only, OR \$25 per injector for flow test and cleaning

FIC will flow test your injectors. If they do not require cleaning, you will only be charged for the flow test. If cleaning is necessary, we will continue with this process at our discretion. Both processes include a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around is 3-4 business days. For expediting options see below.

Flow Testing and Cleaning: \$25 per injector for flow test and cleaning

FIC will flow test, clean, and re-test your injectors **regardless of initial results**. Includes a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around is 3-4 business days. For expediting options see below.

Expediting Options:

Rush Service: \$7.50 per injector additional to expedite any flow or cleaning service to a 24-hour turn-around time (ships next business day after arrival.)

Same Day Service: \$100 flat rate additional (up to 10 pieces) to expedite any flow or cleaning service to same day turn-around time. **We must receive your injectors by 10am** for your injectors to ship back out to you on the day they were received.

Fuel Injector Clinic is committed to excellent customer service and support. If you have any questions or concerns, feel free to text, or call us at 561-427-0082, or email us at service@fuelinjectorclinic.com.

*Injectors left unattended after multiple contact attempts for six months will be discarded, and any subsequent requests for replacement will incur associated costs.
