Describe below any issues or areas (incl. serial #s) to which special attention should be paid:

Service Options:

FIC Choice: \$15 per injector for flow test only, or \$25 per injector for flow test and cleaning
FIC will flow test your injectors. If they do not require cleaning you will only be charged for the flow test. If cleaning is necessary we will continue with this process at our discretion. Both processes include a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around time is 3-4 days. For expediting options see below.

Flow Testing and Cleaning: \$25 per injector for flow test and cleaning
FIC will flow test, clean, and re-test your injectors **regardless of initial results**. Includes a flow sheet with test results as well as new seals and filters if applicable. Standard turn-around time is 3-4 days. For expediting options see below.

Other: flow modification / fitment modification – please contact us prior to sending injectors

Expediting Options:

Rush Service: \$7.50 per injector additional to expedite any flow or cleaning service to a 24 hour turn-around time (ships next business day after arrival.)

Same Day Service: \$100 flat rate additional (up to 10 pieces) to expedite any flow or cleaning service to same day turn-around time. **We must receive your injectors by 10am** for your injectors to ship back out to you on the day they were received.

Important: We will email you once your service has been completed to discuss results and confirm billing and shipping info. Please do not call us for status updates.
